Description - Provide a concise description of your proposal (specify how project impacts or address a community need):

Location - Please identify the location or service area of your project:

Impact - Quantify the benefit resulting from the project (e.g., # of persons benefiting, # of units rehabilitated, linear feet of public facilities improved, jobs created):

Budget Information

Total Cost of Project: _____

HUD CoC Funding Requested: _____

Other Sources of Funding:

Funding Sources (be specific)	Amount of Funding	Funding Status: Committed/Pending/Future Request

Feasibility Information : The following questions should be answered in the form of a concept paper

(1 page) to be answered in the box below.

1. Does the project preserve an existing housing project?
 - a) If it is an existing housing project, is it operating at or near capacity?
2. Is there a demonstrated need for this project in Tompkins County (please specify)?
3. Does the project target the chronically homeless?
4. Please explain how the project fits into one of the five eligible program components. (Permanent housing, transitional housing, supportive services only, Homeless Management Information System, or homelessness prevention)
5. Does it expand the number of beds in the system?
6. Is the project feasible in terms of implementation (ie. site control and matching dollars)?
7. Are you participating in the Homeless Management Information System (HMIS)?
8. Does this project implement, or coordinate with, any plans, initiatives or other submitted proposals? (If "yes," please identify them.)
