APPEALS PROCESS

Who may appeal?

An agency may appeal a decision concerning a project application submitted by that agency. The agency, project, and project application must meet the CoC and HUD threshold requirements as outlined in the Project Application Rubrics and CoC Request for Proposals. YHDP Applications will not be ranked, and no scoring outcomes will be provided to projects. Because of this, decisions regarding YHDP project applications are not eligible for appeal.

What may be appealed?

The appeals process applies only to project scoring and ranking. There is no appeal for project tiering. An appeal may not be submitted if: all questions on the application were not completed, all required attachments were not submitted with the application, and/or the application was not submitted by the required deadline

What is the timing of the appeal process?

Formal appeals may only be submitted by a project within three (3) business days of a project receiving their ranking. Appeals must be submitted in writing to the Collaborative Applicant, who will then forward to the Ranking Committee. The written appeal must consist of a brief statement no longer than one page, and can be in the form of a letter, memo or email. Any appeal via email must be sent to the Human Services Coalition, the Collaborative Applicant and Lead Agency.

How are appeals decisions made?

The ranking committee and the CoC Governance committee will review all appeals. Appeals are decided by majority vote and may not be overturned by the full CoC.
