

FY2024/25 Continuum of Care Program Competition

The Mission of our Continuum of Care

Ithaca/Tompkins CoC NY-510 is a local community planning network of public, private, and non-profit partners with the mission of making homelessness rare, brief, and one-time in Tompkins County.

Through this work, we:

Organize a community-wide effort to prevent and end homelessness

Provide funding and support to non-profit agencies

Promote access to supportive services and housing

ENDING HOMELESSNESS

The goal of every Continuum of Care is to build and maintain a homeless response system where experiences of homelessness are...

Rare

The community has ensured that homelessness among youth, families, single adults, veterans, and people experiencing chronic homelessness are all sustained below their functional zero threshold, which means that the actively homeless number is fewer than the six-month average of positive exits.

Brief

The average length of time from identification to move-in is 40 days or less.

One-time

Of all exits to permanent housing, no more than 5% of positive exits result in a return to the homeless system within two years of exit from the homeless system.

Equitable

The community has a demonstrated commitment and is tracking progress to reduce disparities in outcomes between groups experiencing homelessness.

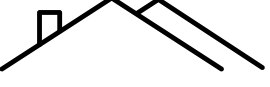

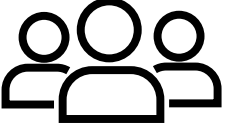

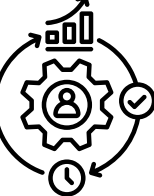

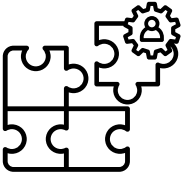

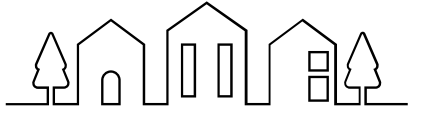

MEASURING PROGRESS

HUD collects data from Continuums of Care regarding their progress towards these goals, called System Performance Measures or SPMs.

| Measure 1 | Measure 2 | Measure 3 | Measure 4 | Measure 5 |
|---|--|--|---|---|
| Length of Time Persons Remain Homeless | The Extent to which Persons who Exit Homelessness to Permanent Housing Destinations Return to Homelessness | Total Number of Homeless Persons | Employment and Income Growth for Homeless Persons in CoC Program-funded projects | Number of persons who become homeless for the 1st time |

Priorities for the FY2024 NOFO

| | | | |
|--|---|---|--|
|  Priority 1 | End Homelessness for all persons. |  Priority 6 | Promote racial equity and address racial disparities. |
|  Priority 2 | Use a housing first approach. |  Priority 7 | Improve assistance to LGBTQ+ individuals. |
|  Priority 3 | Reduce unsheltered homelessness. |  Priority 8 | Engage people with lived experience/expertise of homelessness. |
|  Priority 4 | Improve system performance. |  Priority 9 | Build an effective workforce. |
|  Priority 5 | Partner with housing, health, and service agencies. |  Priority 10 | Engage in efforts to increase affordable housing supply. |

CHANGES IN THE 24/25 NOFO

There are significant changes in this year's NOFO that projects should consider before applying.

Two-year NOFO

HUD has issued a single 2-year NOFO for fiscal years 2024 and 2025. CoCs are only required to submit one CoC application that will be applicable to the FY2024 and FY2025 funds.

Cost of Living Adjustments

HUD is now authorized to make reasonable costs of living adjustments to renewal amounts to help afford increasing cost of operations due to inflation.

Funding for specific subpopulations

HUD requires funding reallocated from projects previously funded with YHDP or DV Bonus funding to be used for projects serving the same subpopulation. New DV Reallocation projects must be 100 percent dedicated to serving DV individuals and families.

Changes to tiering

Tier 1 is set at 90% of the CoC's Annual Renewal Demand (ARD) for this NOFO.

The amount of funding available **varies based on the population the project intends to serve.**

1. The CoC has a **tier of funds we are guaranteed to receive** to serve any households experiencing HUD's definition of homelessness.

a. **Tier 1: \$265,359**

2. The CoC has a **second tier of funds that we gain access to by performing well on our collaborative application.** This tier is also called the "CoC Bonus".

a. **Tier 2: \$147,836**

3. The CoC can apply for a **special set-aside pot of funds to serve people fleeing a violent or life-threatening situation** called the "Domestic Violence (DV) Bonus".

a. **DV Bonus: \$97,719**

4. The CoC has a **tier of funds we are guaranteed to receive to serve only youth households** experiencing HUD's definition of youth homelessness.

a. **YHDP: \$966,605**

TIER 1:

WHO CAN I SERVE WITH TIER 1/2 FUNDS?

HUD requires funded projects to serve households experiencing literal homelessness. This means that the individual or family must be experiencing one of the following situations.

Category 1

Sleeping:

- outside
- in a place not meant for human habitation
- in transitional housing
- in emergency shelter.

If the individual is currently institutionalized, but the stay is expected to be less than 90 days, they can be referred if they were living in one of these situations prior to the institutionalization.

Category 4

Experiencing trauma or a lack of safety related to, or fleeing/attempting to flee:

- domestic violence,
- dating violence,
- sexual assault,
- stalking,
- other dangerous, traumatic, or life-threatening conditions related to the violence against the individual or a family member in the individual's or family's current housing situation

This includes situations where the health and safety of children are jeopardized.

Category 2

ONLY FOR YOUTH UNDER THE AGE OF 25

Imminent risk of homelessness in 14 days or less.

This could include:

- Couchsurfing
- Doubled-up with friends or family
- Receiving notice of eviction or lease termination
- Any situation where the youth could be forced to leave their current housing

Permanent Supportive Housing (PH-PSH)

Overview: PSH is a **non-time-limited, permanent housing subsidy combined with a high level of supportive services**. It is a model that is most effective when combined with a Housing First approach and is typically designed for folks with highest needs, long experiences with homelessness and a household member with a disability.

Key Elements:

- Eligible populations: Categories 1, 2*, 4
- Residents would pay a percentage of their income towards rent for an indefinite period
- **Units can be site-based (e.g., lease up a bunch of units in an apartment complex) or be scattered site (e.g., youth choose unit in the community)**
- May be an opportunity to serve individuals who are disabled but do not meet chronic homeless definition

Rapid Rehousing (PH-RRH)

Overview: RRH is a **permanent housing program where homeless individuals and families may receive up to 36 months of rental assistance and supportive services**, with up to six months of aftercare once the rental assistance ends. Supportive services often focus on income maximization and stability planning. The participant enters into a lease directly with the landlord.

Key Elements:

- Eligible populations: Categories 1, 2*, 4
- Rental assistance models can be flexible, should align with CoC's written standards for administering RRH
- **Participants can choose their own units in the community/private market**
- While it is a time-limited resource, there are no indicators for who will succeed in RRH- it is a resource that can work for anyone

Joint Transitional Housing- Rapid Rehousing (TH-RRH/PH)

Overview: TH-RRH provides **short-term crisis housing for individuals or families who enter the TH portion of the program**. It also provides medium/long-term permanent housing for participants who transition directly from TH into RRH or from homelessness into RRH. **A participant has a choice of which program they wish to access and both TH and RRH portions must be available**. Many residents who have no rental history and/or multiple barriers find the support provided with TH an easier launching pad into permanent housing.

Key Elements:

- Eligible populations: Categories 1, 2*, 4
- Recipient providing TH can pay for operations of a building they own, or pay for leasing costs
- TH units **can be master leased units, scattered site or host homes**.
- TH can offer an **alternative to current shelter options**; offer options to youth who have criminal history or no rental history
- RRH operates with all the same tenets as a classic RRH program.

Dedicated HMIS Project (HMIS)

Overview: New dedicated HMIS project costs **can only be carried out by the HMIS Lead**, which is the Project Applicant or subrecipient HMIS-dedicated funds and that is listed on the HMIS Lead form.

Key Elements:

- **HMIS lead is only eligible applicant**
- Supports creation and maintenance of CoC-wide HMIS system

Coordinated Entry- Supportive Services Only (SSO-CE)

Overview: SSO-CE projects are used to develop or operate a Coordinated Entry system. SSOs are a project type where CoC funds only pay for services, not housing assistance. Examples are **outreach services, diversion services, drop-in centers, and community-wide or specific partnerships between services.**

Key Elements:

- Eligible populations: Categories 1, 2*, 4
- Outreach services **identify individuals and families experiencing unsheltered homelessness and help them access crisis and long-term housing**
- Diversion offers services that help clients find alternate solutions to shelter/crisis housing or other housing

Transitional Housing (TH) or Crisis Residential Transitional Housing (YHDP ONLY)

Overview: **Facilitate the movement of homeless individuals and families to permanent housing within 24 months.** Funds may be used for leasing, rental assistance, operating costs, and supportive services.

Key Elements:

- Eligible populations: Categories 1, 2, 4
- Recipient providing TH can pay for operations of a building they own, or pay for leasing costs
- TH units **can be master leased units, scattered sites or host homes.**
- TH can offer an **alternative to current shelter options;** offer options to youth who have criminal history or no rental history

Supportive Services Only (SSO) (YHDP ONLY)

Overview: SSOs are a project type where CoC funds **only pay for services, not housing assistance**. Examples are outreach services, diversion services, drop-in centers, and community-wide or specific partnerships between services. SSO projects can also be used to improve or increase the capacity of a community's Coordinated Entry System.

Key Elements:

- Eligible populations: Categories 1, 2, 4
- Outreach services **identify individuals and families experiencing unsheltered homelessness and help them access crisis and long-term housing**
- Diversion offers services that help youth find alternate solutions to shelter/crisis housing or other housing

- Diversion offers services that help clients find alternate solutions to shelter/crisis housing or other housing

Supportive Services Only- Host Home and Kinship Care (SSO) (YHDP ONLY)

Overview: A model in which **a family agrees to permit a youth to reside with them.** Recognizing that the addition of another person in the home may increase costs to the family, HUD will entertain applications that propose to house youth with families and to subsidize the additional costs attributable to housing the youth. The residence is in a community-based setting. The family could be related to the youth and the length of stay may be time-limited or without time limits. YHDP funds may be used to subsidize the increased costs to the family that are attributable to housing the youth.

Key Elements:

- Eligible populations: Categories 1, 2, 4
- **Family agrees to permit a youth program participant to reside with them**
- Can subsidize the additional costs attributable to housing the youth and recruitment of hosts
- Community-based setting
- **Family may be related to youth program participants**

Dedicated HMIS Project (HMIS)

Overview: New dedicated HMIS project costs **can only be carried out by the HMIS Lead**, which is the Project Applicant or subrecipient HMISdedicated funds and that is listed on the HMIS Lead form

Key Elements:

SPECIAL PROJECT QUESTIONS

ONLY for Domestic Violence Bonus Applicants (10 points): Describe agency's experience working with victims/survivors of Domestic Violence and indicate whether your organization is a Victim Service Provider.

ONLY for Coordinated Entry Applicants (10 points): Describe how you will ensure that the coordinated assessment system will be easily available/reachable for all persons within the CoC's geographic area who are seeking homelessness assistance including those with disabilities. Describe how your advertising strategy will be designed to specifically reach homeless persons with the highest barriers within the CoC's geographic area. Describe how your standardized assessment process will ensure program participants are directed to appropriate housing and services that fit their needs.

ONLY for Healthcare Project Applicants (10 points): Please describe how the project will structure program to provide healthcare services to participants.

ONLY for Healthcare Project Applicants: Please attach a commitment letter from a healthcare organization demonstrating commitment of either:

SPECIAL PROJECT QUESTIONS (CONTINUED)

ONLY for Subsidized Partnership Project Applicants (10 points): Please describe how the project will structure the program to ensure at least 25% of project serves unit/participants in PSH or RRH. Please include partners and additional funding source.

ONLY for Subsidized Partnership Project Applicants: Please attach a funding letter from a housing organization demonstrating commitment of either:

- 25% of units will be dedicated to PSH participants; or
- 25% of persons served will be dedicated to RRH participants.

CoC Program funds require a 25% Match of the awarded Grant Amount

Cash Match

With cash match, the recipient or subrecipient spends actual funds on eligible CoC Program costs. Cash counts as match only if the recipient or subrecipient can demonstrate that a payment of funds was made to cover the cost of CoC Program eligible activities expended during the grant term.

- Grants from private, local, state, and federal resources (if not statutorily prohibited by source)
- Cash resources
- Revenues from fundraising efforts organized by the recipient or subrecipient
- Recipient or subrecipient staff working on grant eligible activities who aren't paid from the CoC Program grant but are paid from other agency resources

In-Kind Match

In-kind match is the value of any real property, equipment, goods, or services contributed to a CoC Program grant that would have been an eligible CoC Program activity if the recipient or subrecipient paid for them directly with CoC Program funds. In-kind match can be donations provided directly by the recipient, subrecipient, or third party.
